# RACHEL'S Challenge

start a chain reaction

**Rachel Scott was the first person killed at Columbine High School on April 20, 1999. Rachel's acts of kindness and compassion coupled with the contents of her six diaries have become the foundation for the most life-changing school program in America.**

**Come and share in this powerful story with the entire community. The things you see and hear will encourage you to become a more positive person and will give you a fresh outlook on life.**

**You can start a chain reaction of positive attitudes by accepting Rachel's Challenge.**

**The entire community is encouraged to attend one of these three life-changing sessions and accept Rachel's Challenge.**
