Hardin County

School:

John Hardin

Identify the specific evidence-based practice being implemented/used at your school.

Triumph College Prep (TCA)

Describe how your school ensures that the program/strategy listed above is implemented with fidelity.

Teachers provide time for students to access technology on a regular basis. Students login with a unique number and password and work on topics specific to their learning deficits in an effort to improve their skills.

Describe how the program/strategy listed above is monitored and data/progress is used for improvement.

Teachers monitor while students work individually. The computer program provides specific data on each student so that the teacher is aware of the student's progress as well as the correctness of the student's work. Teachers and administrators analyze the data to determine areas of weakness and guide decision making for upcoming interventions.
