

Hardin County Schools & Hardin County Public Library

HCS and HCPL are working together to bring public library services to students in Hardin County by offering a DIGITAL ONLY library card to all students!

Complete the form at the bottom of the page and have your child return it to their librarian. Once returned, the library will issue your student a library card they can use to access online databases, e-books, audiobooks, and music for use at school or home. For full card use, including the ability to check out hard copy books, please visit the library with your child to confirm your account.

Just a few simple steps will get you started!

1. Sign and complete this form
2. Return form to school library media center
3. Get your digital access card number (this can take a few days)
4. Download the LIBBY app on any phone or tablet and sign-in using your library card number or go to <https://kyunbound.overdrive.com/> on any computer or laptop
