

Dear Parents,

I appreciate you working with us to move our students to greater levels of learning; both academically, socially and emotionally. Here, in the next couple of days; students will take the **MAP test**. This assessment will help us gauge our instruction; and if need be, we will make adjustments-to move our students to a deeper level of learning.

### **NHES Upcoming events**

#### **February 4th/5th Jersey Day**

Staff/Students wear your favorite jersey.

#### **February 11th/12th**

We are celebrating the **100th day of school**; and **Valentine's Day** on February 11th and 12th. We will need candy and food items to celebrate both these **AWESOME** events. Your child's teacher will contact you; regarding the store bought items needed for the Valentine's Day party and the 100th day celebration; both will occur at the same time on the same day.

All items for the celebration will need to be purchased from the store.
