

Appearance / Dress Code Policy

Proper appearance not only makes for a good self-concept, but has also been shown to have a high relationship to school pride and appropriate behavior. We ask that students and parents accept their responsibilities concerning this matter. Parents will be contacted when a student's appearance is considered a possible distraction to self or others' normal school progress and orderly operation of the school.

*Appropriate dress will consist of pants, jeans, athletic wear, Capri pants, skirts, shorts, skorts, or jumpers (***mid-thigh length or longer***). No low-rise waisted pants/jeans will be acceptable to wear.

* Words or logos are not to be offensive, negative, derogatory or a put down of any nature.

* All students must wear appropriately sized clothing. No sagging pants, shorts, etc.

*All shirts must have sleeves. Shirts must also cover the waistband of pants so torso does not show.

*Each student is required to wear shoes and socks at all times. Flip-flops, shoes w/heels and sandals are unsafe and are not to be worn at school. The term "sandals" includes all open toes and backless footwear. All shoes should support the foot appropriately while playing outside or exercising.

Tennis/Athletic shoes are most appropriate.

*Head coverings are to be worn outside the school building. Hooded sweatshirts are permitted but hoods should not be on inside the buildings.

*Exceptions to the dress policy will be made for students with religious objections or students with special needs only after a meeting with administration.
