Lesson Plan Checklist

The G. C. Burkhead SBDM Council accepts the following tool to monitor lesson plans. Lesson plans will show evidence of the criteria over time.

- The standard being taught in the lesson.
- Objective or learning target of the lesson taught.
- Instructional strategies used during the lesson to develop student understanding of concept/skills.
- How the objective/learning target will be assessed.
- How the individual needs of each student is being met.

A variety of sources, including, but not limited to CIITS may be used as instructional planning resources.
