We will approve additional environmental activities based on their ability to meet the criteria listed above.

Students will be eligible to participate in extracurricular activities if they meet any requirements set by the sponsoring organization the school has chosen to participate in.

An adult coach or sponsor who meets the criteria established by any applicable sponsoring organization will lead each extracurricular activity. The coach or sponsor will be responsible for

supervising all students while they are participating in the activity, including preparation and travel time.

The principal will assign coaches and sponsors from our school's current staff following our policy on assignment of staff time. If it is necessary to consider applicants who do not currently work at our school, our policy on consultation on vacancies will be followed.
