SBDM Council Policy

Policy Number 18.01

Program Appraisal Policy

The Consolidated Planning Process recommended by the Kentucky Department of Education entails:

1. Sustained analysis of whether each of our programs is contributing adequately to helping all our students meet state standards.
1. Systematic work to improve those programs so that we do meet state standards for all students within the timetable set by the Kentucky Board of Education for reaching proficiency by 2014.
1. Annual monitoring and evaluation of the implementation and impact of our programs.

We will implement that process, including appraisal of the effectiveness of all our programs, through our needs assessment and our implementation and impact forms.
