SBDM Council Policy

Policy Number 18.02

Alignment with State Standards Policy

The Consolidated Planning process recommended by the Kentucky Department of Education entails:

1. Sustained analysis of the extent to which our students are meeting state standards.
1. Systematic work to move our students closer to those standards within the timetable set by the Kentucky Board of Education for reaching proficiency by 2014.
1. Ongoing monitoring and evaluation of the implementation and impact of our plans.

We will implement that process, including review of our alignment with state standards through our needs assessment and implementation and impact checks.
