

AN OVERVIEW OF BURKHEAD'S TITLE 1 PROGRAM

The Title 1 Program is a federally funded program and provides extra assistance to students in meeting the Academic Expectations that Kentucky has set for all children.

The identified areas in which Title I will provide assistance in 2021-2022 is Reading and Math for grades 1-5.

The Title 1 Program at Burkhead is a school-wide program. That means that Title I funds and personnel are used to improve the total school program. Students are provided extra assistance in the identified area within the regular classroom setting. An extra instructional assistant or teacher will be in the student's classroom and will provide extra support in the identified area. While Title 1 staff will work with students within the total classroom, there may be times students are worked with individually or in small groups within the classroom.

PARENT INVOLVEMENT POLICY

An important part of the Title 1 Program is parent involvement. The following is the current parent involvement policy:

An annual meeting will be held to inform parent(s) or guardians about the program.

A school parent compact will be distributed asking parents to commit to a partnership with the school.

Parent involvement activities for parent(s) or guardians will be provided, providing baby-sitting and transportation when needed.

The purpose of the programs will be to:

Make parents aware of parental involvement requirements and receive input from parents on how the school and parents can work together;

Provide accessibility to school staff;

Welcome parents to observe the school program and provide information regarding the school curriculum;

Provide opportunities for parent-teacher conferences;

Discuss ways to provide information;

Provide support through training and services; and

Provide information concerning assessment.

Ø Staff will be trained to effectively work with parents and students.

The various programs within the school will coordinate parent involvement activities.

At the end of each school year, Title 1 staff will meet with parents of Title 1 students to assess and discuss the effectiveness of the parent involvement program and to discuss the next year's program.
