Dear Parent,

The Hardin County School District and the Kentucky Department of Education (KDE) are seeking feedback from parents regarding how your child's school is involving you in the special education services provided to your child.

Please complete a brief, online survey to share your experience with your child's special education services during the current school year (2019-2020). Please go to www.kypso.org, and complete the eleven-question survey telling us about your current experiences.

You may also access the survey by scanning the following code into your smartphone or mobile device (if you open your camera and point it at the code it should automatically generate a link that you can access):

If you would like to visit the school to complete the survey, you are more than welcome to use one of our computers. Only one parent per student should complete this survey. However, if you have more than one child with an Individual Education Program (IEP), please complete a survey for each of your children.

All responses are anonymous and cannot be traced back to you or your child. Results will be analyzed by the Human Development Institute (HDI) at the University of Kentucky (UK) and used for a report to the U.S. Department of Education. Analysis of the final report will be utilized to improve parent involvement in special education programs.

The deadline for completing this very important survey is **May 31, 2020**.

Thank you for your help.

A handwritten signature in cursive script, reading "Jeff Lowman".
