We want all our students at Central Hardin to be successful, and early interventions are an important part of that success. Several options are available to help your student improve his or her grades. Those options include the following:

- Morning PAWS tutoring services in Math, 7:30 a.m.- 8:15 a.m., Tuesdays and Wednesdays. Currently in session.
- Extended School Services Tutoring 3:30-5:00 p.m., Tuesdays and Thursdays. Transportation is provided **only** on Thursday sessions. ESS will not begin until September 11 and will only be held on selected days. Please contact Angie Davis with any questions regarding the ESS program.

We also encourage you to contact your student's teacher by phone or e-mail. E-mail addresses may be found on our school website at www.hardin.k12.ky.us/chhs/.

If you would like your student to participate in the ESS tutorial program, please fill out the following information. Your signature below indicates that you agree for your student to participate and that you and your student understand that **all Hardin County Schools conduct policies are to be observed during his or her participation in the program.** Please return this form to any of your student's teachers.
