Identify the specific evidence-based practice being implemented/used at your school.

Edgenuity (Compass Learning) is the evidence-based practice being implemented at our school.

Describe how your school ensures that the program/strategy listed above is implemented with fidelity.

We have implemented time within the schedule where students are able to do the program, whether it is during center time, morning work, before or after lunch, or even during theme.

Describe how the program/strategy listed above is monitored and data/progress is used for improvement.

We are using the program in correlation with Map. Teachers are looking at individual student reports, looking for their deficient areas, and then assigning assignments to fill their gaps. Students are able to complete tasks that allow them to fill their gaps.
